

Mailing Cost Comparison - DIY vs. EDEX Mailing

We've mailed 30 million pages of documents for our customers. Here's why.

Your First-Class letter printed in-house with your signed Proof of Service form

You supply the printer, paper, toner, envelope, address label and postage stamp (or meter), plus the labor to print, assemble and deliver mailings to the post office.

Your First-Class letter printed by EDEX Mailing with our signed Proof of Service form

Upload your documents to EDEX Mailing and supply party addresses. We handle everything from there. No printing, stamps or stress for you.
